La table de multiplication

A vertical column of eight black arrows pointing upwards, set against a background of horizontal blue grid lines.

La table de multiplication

A sheet of graph paper featuring a vertical column of ten black arrows, each pointing upwards. The arrows are positioned along the left edge of the grid, starting from the bottom and ending near the top. The grid consists of light blue horizontal and vertical lines.

La table de multiplication

1

A sheet of graph paper featuring a vertical grid of blue horizontal lines and a single vertical blue line on the left side. A series of black arrows points upwards along the left edge of the grid, starting from the bottom and ending near the top.
